

MUNICIPAL CIVIL SERVICE COMMISSION
MUNICIPAL BUILDING ONE LOCKS PLAZA LOCKPORT, NEW YORK

OPEN COMPETITIVE EXAMINATION
FOR
SIGN MAINTENANCE WORKER

LAST DAY FOR FILING:
FEBRUARY 24, 2020
Exam No. 69-411

DATE OF EXAMINATION:
MARCH 28, 2020

FILING FEE: A \$15.00 filing fee must accompany your application. Checks and money orders made out to the City of Lockport Department of Civil Service.

VACANCIES: The eligible list established as a result of this examination will be used to fill vacancies as they occur within the City of Lockport Highway and Parks Department.

SALARY: \$16.87-\$21.13/hr

DUTIES: The work involves responsibility for the construction, installation and repair of traffic signs throughout the city. An employee in this class also assists in the painting or traffic markings on various city streets, crosswalks and parking areas. The work is performed under general supervision. Supervision may be exercised over a small group of laborers and/or municipal workers. Does related work as required.

MINIMUM QUALS: One (1) year of experience in sheet metal or sign maintenance work.

Special Requirement: Possession of an appropriate level New York State driver's license at the time of appointment.

SCOPE OF EXAM: **Understanding and interpreting written material**

These questions test for the ability to understand and interpret written material. You will be presented with brief reading passages and will be asked questions about the passages. You should base your answers to the questions **only** on what is presented in the passages and **not** on what you may happen to know about the topic.

Pavement marking for traffic control purposes

These questions test for knowledge of the principles and practices involved in pavement marking for traffic control purposes and may include such areas as types of equipment, procedures, and paints used, and proper legal markings to use to guide and direct vehicular traffic.

Materials, equipment and methods used in producing traffic and street signs

These questions test for knowledge of the distinctive characteristics legally required for various types of traffic and street signs and for knowledge of the materials and processes used to produce these signs.

Placement, positioning and maintenance of traffic control devices

These questions test for knowledge of the various types of traffic control signs and pavement markings used to guide and direct vehicular traffic and the proper placement and maintenance of such signs and markings.

Test guide:

The New York State Department of Civil Service has not prepared a test guide for this examination. However, candidates may find information in the publication 'General Guide to Written Tests' helpful in preparing for this test. This publication is available online at: <https://www.cs.ny.gov/testing/testguides.cfm>.

CALCULATORS ARE ALLOWED FOR THIS EXAMINATION

Candidates are allowed to use quiet, hand-held solar or battery powered calculators. Devices with typewriter keyboards, spell-checkers, personal digital assistants, address books, language translators, dictionaries, or any similar devices are prohibited. Use of books and other reference material is prohibited.

This written examination is being prepared and rated by the NYS Department of Civil Service in accordance with Section 23.2 of the Civil Service Law. The provisions of the NYS Civil Service Rules and Regulations with rating of exams will apply to this test.
