Items Discussed: Only one item was discussed. The committee discussed the ongoing pedestrian issue at Park Ave. and Michigan St. Employees at Candlelight Cabinetry have to cross the street to enter the facility. The operators felt that Park Ave. was often very busy and traffic was, in their opinion very fast, which made it difficult for employees to cross the street. After a short discussion the committee voted unanimously to recommend an "All Way" stop at the intersection of Park Ave. and Michigan St. When weather permits, cross walks will be repainted as well.

The Committee also briefly discussed the potential "All Way Stop" at Park Avenue and Hawley St. near the County Courthouse. This will be a topic at the December Meeting.

FYI: Items are listed in order discussed.

Next meeting: December 21, 2020 at 3:00pm
