

## Complaint for Reporting Sexual Harassment

New York State Labor Law requires all employers to adopt a sexual harassment prevention policy that includes a complaint form to report alleged incidents of sexual harassment.

If you believe that you have been subjected to sexual harassment, you are encouraged to complete this form and submit it to the Personnel Director or Corporation Counsel's Office located in M-11 of the City Municipal Building. The form can be accessed on Lockportny.gov or the Civil Service Office (M-11). You will not be retaliated against for filing a complaint.

If you are more comfortable reporting verbally or in another manner, your employer should complete this form, provide you with a copy and follow its sexual harassment prevention policy by investigating the claims as outlined at the end of this form.

If you receive a complaint about alleged sexual harassment, follow your sexual harassment prevention policy.

An investigation involves:

- Speaking with the employee
- Speaking with the alleged harasser
- Interviewing witnesses
- · Collecting and reviewing any related documents

While the process may vary from case to case, all allegations should be investigated promptly and resolved as quickly as possible. The investigation should be kept confidential to the extent possible.

Document the findings of the investigation and basis for your decision along with any corrective actions taken and notify the employee and the individual(s) against whom the complaint was made. This may be done via email.
