

**THE CITY OF LOCKPORT IS CURRENTLY TAKING
APPLICATIONS FOR THE FOLLOWING POSITION:**

**INDUSTRIAL PRE-TREATMENT COORDINATOR
WASTEWATER TREATMENT PLANT**

STARTING SALARY: \$52,062/YR

The work involves responsibility for planning, organizing, and supervising the chemical, microbiological and physical analysis of raw and treated wastewater, including pre-treatment. The work also involves responsibility for maintaining quality standards as required by Federal and State Laws and Codes for developing improved analysis, control and treatment methods and techniques. The work is performed under the general supervision of Wastewater Superintendent, with leeway permitted for the use of independent judgment. Supervision is exercised over the work of technical personnel.

Minimum Qualifications:

1. Graduation from a regionally accredited or New York State registered College or university with a Bachelor's Degree in Chemistry, Environmental, Physical or biological sciences, or engineering with at least twenty-four (24) college semester credits hours in chemistry and at least two (2) years of appropriate experience for each analyte the laboratory is approved, as follows:
 - BOD/CBOD
 - Ammonia (NH₃ as N)
 - Total Kjeldahl Nitrogen (TKN)
 - Total Phosphorus
 - Total Dissolved Solids (TDS)
 - Total Suspended Solids (TSS)
 - SPDES (4 college semester hours in general microbiology and one (1) year of experience in environmental analysis of fecal coliform)
