

Yard Waste Pickup Schedule

Below are the details and schedule for yard waste pickup

- Place in open containers or paper compostable bags
- Containers are not to be over 50 lbs; 25 lbs is preferred
- If containers are solid bottom, drain any rainwater prior to placing to the Street
- No Grass clippings will be picked up
- Large branches should be kept separate so they can be picked up by the chipper
- Don't place any debris in the street, there is no spring leaf pickup!

2023 Yard Waste collection will be the weeks of:

(3rd week of each month – on the same day as your refuse pickup)

April 17-22
