Subject: [EXTERNAL] Tree removal

Good morning,

Last week, half of a very old tree fell over into my front yard. The city removed the broken branches the next morning, and promised that they would cut the tree down "soon." Well, as promised, they came yesterday and cut the tree down. They did a very nice job. I was away while they removed the tree, and I came home to a clean front yard, with no leaves or branches on the ground.

Please get this message to the streets department, with my thanks. (I wanted to call them, but their phone is always off the hook!)

Lockport, NY 14094

Dear City Clerk,

My name is Travis Krupinski. I own the home at 19 Cave Street in the city of Lockport. I have a safety concern with the tree in front of my house between the sidewalk and the road.

The tree is in terrible shape. It has broken limbs and branches throughout the entire tree. Many of the branches have been knocked off during the windstorms. Portions of the tree seem to be dead. . The roots are very large and are affecting the sidewalk.

Two of the sections of the sidewalk are being raised by the root system. This is dangerous for any pedestrians when walking on those sections of sidewalk. Also, another section of the sidewalk has very large cracks caused by the root system and presents a danger.

I ask that you consider this particular tree to be taken down for the safety of those that walk on this stretch of sidewalk and road.

Thank you in advance.

Sincerely,

Travis R. Krupinski

NOTICE OF CLAIM

Claimant

Vs.

CITY OF LOCKPORT

Respondent

PLEASE TAKE NOTICE, that the Claimants, CHARLES F. BEGLEY and LOIS A. BEGLEY, Husband and Wife, have and hereby intend to file a claim against the CITY OF LOCKPORT, in support of said claim, states the following:

1. The Post Office address of Claimants is 34 Lincoln Avenue, Lockport NY 14094.
2. The Attorneys for the Claimants are MUSCATO VONA, LLP, George V.C. Muscato, of counsel, 107 East Avenue, Lockport NY 14094, telephone (716) 434-9177, email gmuscato@mdvfirm.com.
3. The claim of CHARLES F. BEGLEY and LOIS A. BEGLEY, Husband and Wife, is against the CITY OF LOCKPORT, its employees and agents.
4. The claim arose as follows: On or about March 17, 2023, Claimants discovered that the sewer line at their house located at 34 Lincoln Avenue, Lockport, New York, was backing up and plugged. Upon their attempt to repair this line, it was discovered that the sewer line is in excess of 20 feet below the grade of the street. The Claimants were further informed by the City that the City code requires a homeowner to maintain responsibility for a lateral connection to the point of the main line. Upon information and belief, there has been a history of continuous

sewer/water leaking problems on the north side of Lincoln Avenue for many years and the City has not taken any action to remediate or repair this line and /or the actions of the City has exacerbated the liability to repair said line. As a result, the Claimants had to pay excessive additional sums to repair this line due to the depth of the line and actions of the City.

5. This was caused solely due to the negligence, carelessness and recklessness on the part of the Respondent, resulting in the Claimants paying in excess of the sum of \$34,000.00 for this repair.

6. The City knew or should have known of the defective condition existed for so long a period that same should have been discovered and remedied in the exercise of reasonable care and diligence.

WHEREFORE, Claimants requests that the CITY OF LOCKPORT compensate them for their expenses; and for such other and further relief as to this Court may seem just and proper.

6. A hearing was conducted by the Defendant, CITY OF LOCKPORT, pursuant to General Municipal Law 50-h, on February 17, 2023.

7. Thirty (30) days have elapsed since that claim has been filed, and the claim has not been adjusted to resolution.

8. This action was timely commenced within one year and ninety days (1 year and 90 days) after the cause of action herein accrued.

9. The claim of TYLER METHVIN is for personal injuries and damages, including but not limited to: past and future lost wages, past and future medical expenses, past and future pain, past and future suffering, and disfigurement.

10. On or about October 25, 2022, at approximately 11:40 a.m., the Plaintiff, TYLER METHVIN, while driving his 2019 Harley Davidson Motorcycle, bearing the New York license plate number: 491AH3, eastbound on Market Street, brought his vehicle to a complete stop behind a stop sign at Market Street's intersection with Exchange Street. After bringing his motorcycle to a complete stop at the intersection of Market Street and Exchange Street, which was controlled by a newly implemented four-way stop, the Plaintiff, TYLER METHVIN, was broadsided and struck by a motor vehicle owned and operated by Dale R. Smith. who was traveling northbound on Exchange Street and failed to stop at the stop sign controlling the subject intersection.

11. Upon information and belief, the intersection of Market Street and Exchange Street in the City of Lockport, County of Niagara, and State of New York was recently changed from an intersection controlled by a traffic control signal/light to a four-way stop, following a meeting of the traffic advisory meeting on October 17, 2022 which resulted from a number of prior collisions

occurring at the subject intersection. This change was implemented without any signage present to warn the public of said new traffic pattern.

12. Moreover, upon information and belief, the intersection of Market Street and Exchange Street in the City of Lockport, County of Niagara, and State of New York is only several yards from a second-traffic light located on Exchange Street where it crosses the canal, whose traffic light has a known history of causing confusion to motorists, resulting in a number of prior collisions at the subject intersection.

13. Upon information and belief, the Defendant has prior notice of the dangers of the subject intersection, which has resulted in a number of collisions similar to that of the Plaintiff's, involving motorists who fail to stop at the intersection and collide with other motorists.

14. As a result, the Plaintiff, TYLER METHVIN, sustained severe personal injuries due to the negligence, recklessness, and carelessness in the acts, or omissions to act, by the Defendant, CITY OF LOCKPORT, their agents, servants, and/or employees, for their: (1) failure to properly study the road; (2) failure to properly guard; (3) failure to properly warn; (4) failure to properly address prior complaints; (5) failure to properly inspect, maintain, repair, study, post and patrol the roadway markings and signs; and (6) violation of the Defendant's special duty and/or proprietary functions.

15. The accident and injuries to Plaintiff TYLER METHVIN, resulted from the negligence, recklessness, and carelessness in the acts, or omissions to act, by the Defendant, CITY OF LOCKPORT, their agents, servants, and/or employees, without any negligence on the part of the Plaintiff contributing hereto.

16. The subject occurrence was reported to the local Police Department, and emergency reports were filed with them.

17. As a result of the aforementioned, the Plaintiff, TYLER METHVIN, sustained injuries and/or aggravated and exacerbated injuries including but not limited to: a right, acute, transverse, comminuted midshaft tibia and fibula fracture with displacement requiring surgery and corresponding scarring and disfigurement; and pressure ulcers on his occiput, sacrum/coccyx, ischial tuberosity, and heel.

18. As a result of the serious injuries sustained by the Plaintiff, TYLER METHVIN, the Plaintiff has and will suffer past and future medical expenses; past and future pain and suffering; inability to work; inability to perform household duties; inability to perform normal activities of daily living; susceptibility to future injury; disfigurement; and will suffer additional damages into the future.

19. The amount of damages in this claim exceeds the jurisdictional limits of all lower courts that would otherwise have jurisdiction.

20. That the Plaintiff, TYLER METHVIN, demands a trial by jury of all issues.

WHEREFORE, the Plaintiff, TYLER METHVIN, demands judgment against the Defendant, CITY OF LOCKPORT, in an amount to be determined by a jury upon trial of this action, together with the costs and disbursements of the action, with any and all further relief as this court deems just and proper.

~ FINANCIAL OPINION MEMO ~

JUNE 5, 2023 REVISION TO THE FEBRUARY 16, 2023 MEMO

CHANGES:

- (1) **UPDATE TO FIGURES TO ACCOUNT FOR LESSER MONTHS IN 2023 REQUIRING FUNDS**
- (2) **CORRECT FUNDING SOURCE FROM 'FUND BALANCE' TO 'CONTINGENCY'.**

To: Mayor and Common Council
From: Timothy Russo, Director of Finance

Regarding: Department Head MOU Regarding Information Technology Position
Data Used in Determination: MOU Agreement, New World Personnel Data
Other Parties Consulted / Referenced / Involved in Determination: N/A

The Department Head MOU regarding the Information Technology position would effectively add in the existing Information Technology Network Coordinator from the Unrepresented contract into the Department Head contract. Notable costs include:

- Current employee would shift from the unrepresented salary grade and step schedule into a department head grade and salary schedule. A salary increase would also increase City costs for FICA taxes and NYS retirement.
- Benefit costs outside of a \$2k in-lieu of payment largely do not change between the contracts for this scenario.

Current and Future Costs

In mid-June, the employee's salary would increase from \$57,750 as an unrepresented step 2 to \$61,990 as a Department Head grade 2 step, an increase for the remainder of the year totaling \$ 2,120. FICA and retirement amounts to \$162. The employee currently does not opt for health insurance, however, there would be no change as to the 15% contribution between either the Unrepresented and Department Head contract (for those hired after 2017). This employee would be eligible for an in-lieu of payment totaling \$2k. Total FY 2023 costs would amount to \$4,515.

Annualized into FY 2024, this would increase to \$8,133, an estimated property tax rate increase of 0.06%. Expenses would slightly increase each year from current costs, as the Department Head contract has cost of living adjustments while the unrepresented contract does not. By FY 2027, this MOU would cost \$11,666 compared to current costs.

	2023	2024	2025	2026	2027
WAGES	\$ 2,120	\$ 5,169	\$ 6,748	\$ 7,759	\$ 8,147
FICA	\$ 162	\$ 395	\$ 516	\$ 594	\$ 623
RETIREMENT	\$ 233	\$ 569	\$ 742	\$ 853	\$ 896
IN LEIU OF	\$ 2,000	\$ 2,000	\$ 2,000	\$ 2,000	\$ 2,000
TOTAL	\$ 4,515	\$ 8,133	\$ 10,007	\$ 11,206	\$ 11,666

FY 2023 Funding

It is recommended that funding in FY 2023 comes from two places, firstly the remaining over budgeted portion of the General Fund's annual HRA contribution. The once-a-year distribution from this account was done in January, and there is currently \$3,570 in excess. The remaining \$945 is recommended to come from General Fund contingency.

Thank you,

About the Cooperative

H-GAC and the Cooperative Purchasing Program

The Houston-Galveston Area Council (H-GAC) is the largest of 24 Councils of Government (COG) in Texas, and is a political subdivision of the State of Texas. It has been serving local governments for more than 40 years.

H GAC's Cooperative Purchasing Program, known as HGACBuy, was established pursuant to Texas Interlocal Cooperation Act [Texas Local Government Code, Title 7, Chapter 791]. The Act allows local governments and certain non-profits to contract or agree under the terms of the Act to make purchases or provide purchasing services and other administrative functions appropriately established by another government entity. The Interlocal Contract (ILC) is the required legal document that establishes a link between the Member (local governments and certain non-profits) and HGACBuy, and gives the Member access to HGACBuy contracts.

**HELPING
GOVERNMENTS
ACROSS THE
COUNTRY
BUY**

H-GAC has established Interlocal Contracts with thousands of Members throughout Texas and across the United States.

HGACBuy contracts are established based on the requirements of [Texas Local Government Code, Chapter 252]. Products and services are contracted after having been subjected to either a competitive bid (IFB) or competitive proposal (RFP) process. Contracts are blanket type, usually for a term of two or three years. Use of HGACBuy for purchases by any Member is strictly at the discretion of that entity. Member issue their purchase orders and pay the HGACBuy Contractor directly.

Scope of HGACBuy's Professional Services

HGACBuy acts as the designated purchasing agent on behalf of participating Members by performing specific services including, but not limited to:

- Developing specifications for competitive bids and proposals
- Soliciting vendor participation
- Conducting pre-bid/pre-proposal conferences

- Conducting public bid/proposal openings of responses
- Evaluating responses and making award recommendations
- Executing vendor contracts awarded by the H-GAC Board of Directors
- Maintaining contract information available through HGACBuy's Website
- Contract Administration

How to Become a Contractor?

All products and services offered through HGACBuy have been subjected to a competitive bid or proposal process, subsequently resulting in the award of a blanket contract(s). Becoming an HGACBuy Contractor requires that you go through that process with us when we do a procurement for the products and/or services which you offer.

Most of our contracts run for a term of two years, dictating that the procurement process for a product/service is undertaken on that same schedule, i.e. every two years.
