A Note from the Finance Director:

I am pleased to present to you the Fiscal Year 2024 Appropriated Budget, a comprehensive financial plan outlining the City of Lockport's priorities and initiatives for the upcoming year. This budget represents the collaborative efforts of the Mayor, our dedicated city administration, and Common Council, working diligently to address the needs of our community.

Originally published and introduced to the Common Council on October 4th, 2023, as the FY 2024 Mayor's Recommended Budget, the proposed plan underwent a public hearing, during which the Common Council reviewed and made necessary amendments before final approval on November 15th, 2023. These line item amendments are located as Appendix 7 (page 274) of this document. Notably, the final vision for our city's future includes key provisions such as a 1.25% property tax levy increase, a 2% water and sewer rate increase, and a 0% refuse rate increase. These measures have been carefully considered to ensure fiscal responsibility while maintaining essential services for our residents.

The City of Lockport remains steadfast in its commitment to transparency, fiscal responsibility, and community well-being. I invite you to explore the intricacies of this budget, as it serves as a roadmap for the continued growth and prosperity of Lockport. For real-time updates on the status of the budget, citizens can access the City's Open Finance Portal, providing a transparent and accessible platform for ongoing information and up-to-date data. This includes regularly updated budget reports, cash flow statements, benchmarking, and more.

I extend my appreciation to the Mayor, our dedicated city staff, and Common Council members for their diligent work in crafting this budget proposal. I also want to thank everyone who took time to review the proposed document and reached out for public input. It's only through collaborative efforts that we can produce a comprehensive and inclusive financial framework that best serves the interests of all Lockport residents. Together, let us look forward to a year of progress and shared success, embodying the spirit of community engagement that defines Lockport's commitment to a brighter future for all.

Sincerely,

A handwritten signature in black ink, appearing to read 'Tim Russo', written in a cursive style.

Tim Russo

Finance Director

Initiatives in the Budget

As we embark on the journey towards Fiscal Year 2024, the City of Lockport, New York, is poised to take significant strides towards enhancing the quality of life for our residents and ensuring the effective and efficient delivery of essential services. The Appropriation for FY 2024 outlines a comprehensive set of initiatives aimed at achieving these goals. This narrative section will provide an overview of the ten new key initiatives planned for the upcoming fiscal year.

Initiative 1: Strengthening Emergency Response - Adding 4 New Firefighters

One of the top priorities for the City of Lockport in FY 2024 is to enhance our emergency response capabilities. To achieve this, we propose the addition of four new firefighters to support ambulance operations. These new recruits will enable the Lockport Fire Department to provide timely and effective medical services to our residents, ensuring that every emergency call receives the attention it deserves.

This investment reflects our commitment to the safety and well-being of Lockport's citizens and visitors. By bringing ambulance operations in-house, we can ensure a seamless and coordinated response to emergencies, improving the overall effectiveness of our public safety efforts.

Initiative 2: Enhancing Transparency - Popular Annual Finance Report (PAFR)

Transparency and accountability are the cornerstones of responsible governance. In FY 2024, the City of Lockport will introduce a new Popular Annual Finance Report (PAFR) to provide residents with a clear and concise overview of the city's finances. This report will offer a snapshot of our financial health, budget priorities, and accomplishments over the past year in a format that is accessible to all.

The PAFR will serve as a valuable tool for citizens to better understand how their tax dollars are being utilized and will promote trust and engagement between the city government and its residents.

Initiative 3: Improving Communication - Biannual City Newsletter and Texting Service

Effective communication is essential for a thriving community. In the coming fiscal year, the City of Lockport will launch a new initiative aimed at enhancing our communication channels. Firstly, we will introduce a biannual newsletter sent to every household in the city. This newsletter will highlight important updates, community events, and valuable information that residents need to stay informed and engaged with their city.

Additionally, we will implement a City Texting Service that allows citizens to opt-in to receive text notifications for emergencies, road closures, water notices, and other critical updates. This service will provide real-time information to our residents, ensuring their safety and convenience.

Initiative 4: Modernizing Data Management - City-wide GIS Data Update

To empower all city departments and improve decision-making, the City of Lockport is investing in the modernization of our Geographic Information System (GIS) data. This initiative will involve contractual work to update and make GIS data usable across all departments. Up-to-date and accessible GIS data will enable more efficient planning, better resource allocation, and enhanced service delivery to our residents.

Initiative 5: Managing Public Works - Public Works Audit

Our city's infrastructure and public works are vital to its functionality. To ensure that we effectively manage the ever-changing needs of our public works, the City of Lockport will conduct a comprehensive Public Works Audit. This audit will assess our current infrastructure, maintenance practices, and long-term planning. The results will inform our decisions on resource allocation and improvement projects, ensuring that our public works continue to meet the evolving needs of our community.

Initiative 6: Efficient HR Policies - Human Resources Consultation

Efficiency in Human Resources policies and procedures is crucial for the effective functioning of citywide operations. In FY 2024, we will engage in a Human Resources Consultation to review and optimize our HR policies. The goal is to make our HR practices as efficient and effective as possible, ensuring that our workforce is well-supported and that the city can attract and retain top talent.

Initiative 7: Charter Revision - Updating to Modern Standards

The City of Lockport recognizes the importance of a modern and adaptable city charter. To achieve this, we will allocate funding for a Charter Revision project. A third-party consultant will work closely with the city to update our charter to contemporary standards. This revision will enable us to align our governance with the changing needs and expectations of our residents, ensuring that Lockport remains a forward-thinking and responsive city.

Initiative 8: Enhancing Plowing Capabilities

In response to the challenging winter storms of 2022, the City of Lockport is proud to fund an additional snow plow in its 2024 appropriated budget. By investing in this plowing solution, the City of Lockport demonstrates its commitment to providing reliable services, particularly during the winter season, when the impact of severe weather conditions is most keenly felt by the community.

This new addition to our winter maintenance fleet not only addresses the immediate challenges posed by harsh weather but also underscores the city's dedication to continuous improvement. The decision to introduce this plow is a strategic response to the lessons learned from the winter storms of 2022, aiming to fortify our preparedness and response mechanisms.

Initiative 9: Investing in Youth and Recreation - Director of Youth and Community Relations

In response to our commitment to the well-being and development of Lockport's youth, we are proud to introduce the creation of a new Director of Youth and Recreation position for Fiscal Year 2024. This dedicated role will streamline coordination and programming across Parks and Recreation, the Community Pool, tennis facilities, and more, ensuring a holistic approach to youth engagement. The Director of Youth and Recreation will spearhead innovative programs, community events, and accessibility efforts, fostering a vibrant and inclusive community where our young residents can thrive, grow, and actively participate in the life of our city.

Initiative 10: Streamlining Governance - City Clerk Software Integration and iPads for Common Council

In a bid to enhance communication and streamline governance, the City of Lockport is launching an initiative for Fiscal Year 2024 that integrates online software for City Clerk functions. This system will be accessible to Common Council members through newly provided iPads, enabling real-time access to critical documents, agendas, and meeting minutes. By harnessing modern technology, this initiative aims to boost efficiency, reduce paperwork, and facilitate informed decision-making, reaffirming our commitment to transparent, productive, and responsive city governance to the benefit of both the Council and Lockport's residents.

The Appropriated Budget for FY 2024 demonstrates the City of Lockport's commitment to enhancing emergency response, transparency, communication, data management, public works, human resources, and governance. These initiatives will contribute to the continued growth and prosperity of our city and improve the overall quality of life for our residents. We look forward to working together to make these important improvements a reality in the coming fiscal year.

How are Costs Changing?

The Fiscal Year 2024 budget for the City of Lockport reflects a careful analysis of expenditures, balancing the need for essential services with the responsible allocation of resources. Several significant changes in expenditures have been incorporated into this budget to address the evolving needs of our community.

A primary component of our expenditure adjustments includes providing Cost of Living Adjustments (COLAs) to our dedicated union employees. These COLAs are essential to maintaining competitive compensation packages and recognizing the contributions of our workforce.

The rising costs of utilities and contractual obligations are key factors in our expenditure adjustments. To ensure the seamless delivery of essential services, we have accounted for increased expenditures related to utilities such as electricity, insurance premiums, retirement contributions, and more.

One of the most significant changes in expenditures is the 8.2% increase in health insurance premiums. This substantial rise is indicative of broader trends in healthcare costs. We remain committed to providing comprehensive health coverage to our employees and their families, and these adjustments are necessary to maintain the quality and accessibility of our healthcare benefits.

The changes in expenditures for the 2024 budget represent a balanced and thoughtful approach to financial management. We recognize the importance of addressing the evolving needs of our workforce, investing in essential services, and upholding our commitments to both employees and residents. These adjustments are made with an eye toward the sustainability and prosperity of the City of Lockport, ensuring that we continue to provide the high-quality services and amenities that our community deserves. We remain dedicated to fiscal responsibility, transparency, and the well-being of our city.

Where are my Taxes Going?

If you pay \$1,500 in City taxes, you are paying for:

- General Support, \$288
- Public Safety, \$820
- Transportation, \$112
- Economic Opportunity, \$7
- Culture and Recreation, \$27
- Community Services, \$36
- Employee Benefits, \$170
- Debt Service, \$40

How are Programs Supported?

The Fiscal Year 2024 budget for the City of Lockport presents several notable changes in revenues, each carefully considered to ensure the financial stability and vitality of our community.

First and foremost, the property tax levy will experience a modest but necessary increase of 1.25%. This adjustment is crucial to sustain the city's operations and services, aligning with our commitment to responsible fiscal management. Despite this increase, Lockport residents will see a 5.66% decrease in the city tax rate, a result of annual reassessments that aim to ensure fairness and equity in property taxation.

City of Lockport Property Taxes History and Approved Budget

Year	City Assessed Value	City Assessed Value Growth	City Levy	City Levy Growth	City Tax Rate per Thousands	City Tax Rate Growth
2010	\$ 634,795,119	0.00%	\$ 10,118,429		\$ 15.9397

2024	\$ 1,253,537,817	7.32%	\$ 13,449,601	1.25%	\$ 10.72931	-5.66%

Additionally, we have accounted for a negative \$100,000 in the budget to accommodate upcoming Article 7 reimbursements. This financial preparation demonstrates our commitment to addressing potential challenges while maintaining the city's financial health.

In response to the last 12 months of utilization and usage rates experienced in the city, we are implementing a 2% water and sewer rate increase. This measure ensures that our utility services remain sustainable, delivering reliable access to clean water and efficient sewage management to our residents.

Our revenue projections also include \$8.1 million in sales tax revenue, a figure based on the last 12 months of actual revenue data. This conservative estimate reflects our cautious yet realistic approach to financial planning.

Furthermore, we anticipate \$992,000 in ambulance revenue, a critical component of our budget that supports the enhancement of emergency medical services, further ensuring the safety and well-being of our community. This number was based on a third-party analysis that reviewed year-to-date data.

Lastly, we anticipate continued high interest earnings from city investments into NYCLASS, based on year-to-date trends experienced in 2023. These earnings contribute to the city's overall financial stability and assist in funding essential services and infrastructure projects.

These revenue changes have been thoughtfully considered to strike a balance between maintaining essential services and ensuring fiscal responsibility. We remain committed to transparency and responsiveness in our financial management, and these adjustments are part of our ongoing efforts to secure a prosperous future for the City of Lockport.

Budgeted Deficit Represents Budgeted Allocation of Fund Balance

Fund Balance Use

Each fund has its own fund balance, that is the accumulated surplus or deficiency of the fund's annual budget performance over time. The City has a fund balance policy that dictates how much fund balance must be maintained for cash flow and/or emergencies.

In FY 2024, the city has been authorized to utilize funding from contingency in each the General, Water, and Sewer Funds for one-time projects, equipment, or initiatives. Details of these costs can be found on the following page.

The use of these funds ensure that we are not overtaxing citizens all the while maintaining adequate reserves.

<u>Line Item</u>	<u>Amount</u>	<u>Description of Purchase/ Project</u>	<u>Rationale</u>
A.1440.54055	\$ 75,000	Engineering - GIS Contract Work	For costs associated to GIS data preparation, cleaning, and organization.
A.1440.54510	\$ 10,000	Engineering - GIS Equipment	This piece of equipment would enable quick tagging into GIS software.
A.1620.52020	\$ 21,000	Building Maintenance - Window Repairs	For costs associated to window repairs at City Hall.
A.1620.52025	\$ 27,500	Building Maintenance - Bobcat Attachments	For attachments that will improve the efficiency of the department.
A.1900.54055	\$ 45,000	Special Items - Comprehensive Zoning Project	Continued costs for the comprehensive zoning project.
A.1900.54055	\$ 75,000	Special Items - Public Works Audit	Funding of a management and operations audit.
A.1900.54510	\$ 100,000	Special Items - Charter Revisions	This project would fund an external lawyer to prepare and implement a complete charter revision.
A.3120.54505	\$ 6,000	Police - Dog	This funding would be used to procure a K9 to replace the retiring dog and would be used in conjunction with donations.
A.3120.54515	\$ 15,000	Police - City Security Cameras	In recent years, vandalism has increased the need for cameras on City properties. This would allow a continued growth of camera presence.
A.5110.52030	\$ 68,000	Street Maintenance - Plow	This plow would enable improved winter street plowing capabilities for our City.
A.3410.54500	\$ 19,000	Fire - 2nd Automatic CPR Device	These purchases would better the efficiency and operations relating to ambulance in the Fire Department.
A.3410.54500	\$ 5,000	Fire - 3rd Ambulance Stair Chair	
A.3410.52015	\$ 16,000	Onboarding costs associated to new phase of fire employee hiring.	As done in prior year, this use of fund balance would fund one-time costs associated to increasing the staffing by another 4 employees. Note that on-going costs associated to these employees are not recommended to be funded by fund balance, but rather the one-time costs such as training, education, and equipment.
A.3410.54035	\$ 47,200		
A.3410.54085	\$ 19,700		
A.5110.52030	\$ 113,423	Street Maintenance - Trimmer Attachment	This piece of equipment would significantly improve the capacities of our street maintenance crew as well as appearance of the City.
A.5110.52035	\$ 24,500	Street Maintenance - Improved Equipment	This funding is recommended to be used on an air compressor (\$7,500), a gas detector (\$5,000) and a wall mounted power washer unit (\$12,000) that would promote better maintenance of equipment.
A.5110.54076	\$ 15,000	Street Maintenance - Garage Overhead Door	This would replace the overhead door in the garage, which is nearing the end of its life.
A.5110.54500	\$ 3,800	Street Maintenance - AED Defibrillators	This would fund AED defibrillators housed in public works in the event of an emergency.
A.5182.54515	\$ 22,000	Lighting - Lamp Posts	This would fund lamp posts to allow for improved banner hanging.
A.7110.54510	\$ 5,000	Parks - Dog Bag Stations	For costs relating to new dog bag stations in public parks.
Total General Fund:	\$ 733,346		

FX.9901.5900.H	\$ 150,000	Interfund to FX Infra Fund	Appropriated fund balance is available in the Water Fund, and this would allow a portion of it to be used for infrastructure improvements.
----------------	------------	----------------------------	--

Total Water Fund: \$ 150,000

G.8120.52035	\$ 16,000	Wastewater Systems - Sewer Heads	This would allow for improved systems.
G.8130.54030	\$ 45,000	WWTP - Utility Truck	A utility and dump truck would greatly improve working conditions and expand the efficiencies in the department.
G.8130.54030	\$ 35,000	WWTP - Dump Truck	
G.8130.54050	\$ 35,000	WWTP - Conveyors and Pump Repairs	Funding would be utilized for improvements to the conveyors and pumps in the Treatment facility.

Total Sewer Fund: \$ 131,000
