**Whereas** the Corporation Counsel has an outside budget that is now unnecessary, according to Corporation Counsel prior to receiving his salary increase; and

**Whereas** the City can now save significant money for the citizens by transferring the outside counsel budget to contingency; and

**Whereas** all parties reached a settlement in 2020, which said settlement became the subject of additional motion practice in New York State Supreme Court that resulted in a court order determining the precise amount of overpayments during the period of the 2015 through 2020 and the City issued a refund in 2023 pursuant to Resolution No. 072623.11 for that stated amount for those designated years; and

**Whereas** a Resolution was brought on January 24, 2024, that requested that the new Corporation Counsel received a nearly 50% increase in his pay over the prior Corporation Counsel's salary, within a month of his employment; and

**Whereas** the Resolution also requested that the new Assistant Corporation Counsel likewise receive a 50% increase in his pay over the prior Assistant Corporation Counsel, also a month within a month of his employment; and

**Whereas** the Resolution was tied after a vote by the Council 3-3, but Mayor Lombardi broke the tie in favor of the significant increases in pay for the Corporation Counsel and the Assistant Corporation Counsel; and

**Whereas** the Corporation Counsel advised this Council that the salary increase was due to the fact that the new Corporation Counsel and his office would be doing all legal work in house, and not employing outside counsel; and

**Whereas** the Corporation Counsel has an outside budget that is now unnecessary, according to Corporation Counsel prior to receiving his salary increase; and

**Whereas** the City can now save significant money for the citizens by transferring the outside counsel budget to contingency; and  
Now therefore be it

**Resolved** that the following adjustments shall be made to the budget:

CITY CLERK OFFICE

Subject: Urgent Request for Tree Removal - 171 Irving St, 14094

Dear City Clerk,

I trust this letter finds you well. My name is Michael Barclay, residing at 171 Irving St, with ZIP code 14094. I am writing to bring to your immediate attention a matter concerning a tree located between my property and that of my neighbor at 165 Irving St, 14094.

The tree has become a significant source of concern due to multiple issues:

1. Sidewalk and Driveway Damage: The tree's roots are causing severe damage to the sidewalk and driveways of both 171 Irving St and 165 Irving St, presenting a tripping hazard and impacting the usability of the driveways.
2. Safety Concerns: The tree has numerous old and dead branches, posing a safety risk to residents and passersby. In the past, limbs have fallen and damaged power lines, resulting in structural damage to my property.

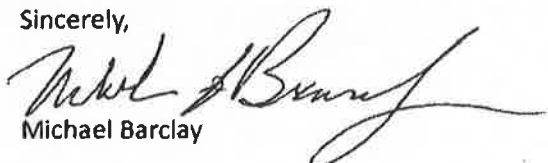

Considering the potential risks associated with the tree, I am requesting its removal to prevent any future accidents or property damage. I am putting the city on notice regarding these issues to ensure that appropriate action is taken promptly.

I understand the importance of maintaining a healthy urban canopy, but the current condition of this tree necessitates its removal to safeguard public safety and prevent further property damage.

I am prepared to cooperate fully with any necessary procedures, inspections, or assessments required for the tree removal process. Please advise on the appropriate steps to initiate this request and provide a timeline for the resolution of this matter.

Thank you for your prompt attention to this urgent matter. I appreciate your commitment to the safety and well-being of our community.

Sincerely,

  
Michael Barclay

To The City Of Lockport, Ny (Notice Of Defect) 9/26/2018

I am requesting that the large tree in the front of my Home at 194 Church St be taken down. It is on the books for being trimmed. There are a lot of dead limbs on this tree & it Must be taken Down. We have had sections break off hit my powerline to my house and rip the line off my home, during a wind storm. Also the sap coming off this tree is discolouring my roof, turning it black. Enough is Enough. I want it down, not trimmed.

Also, the other tree next to my driveway and fence needs to be trimmed from limbs underneath. These limbs are too low over my driveway, therefore, I can not back my Motorhome into my driveway. If I did, the roof, A/C units, vents etc, would be damaged or torn off the motorhomes roof. I need this trimmed ASAP, so I can get into my driveway.

To Whom it may concern:

The morning of January 26, 2024 I was heading to work driving up Spring street and upon reaching the other side of the tunnel bridge heading up the hill my passenger side rear tire hit something in the road and blew out my tire, put a huge gash in the sidewall, and cracked a piece off my rim. I had to call my husband Brian to come and pick me up and drive me to work. Upon my husband returning to Spring street to assess my car he saw the sewer/cover in the road. He attempted to replace the cover over the hole however it blew off again. Brian called the Police so no one else would hit it as I did. The police filed a report to have it fixed. The Report number is 24LPO1028. See attached pictures.

TO: Mayor John Lombardi and Director of Engineering

I am writing to inform the City of Lockport that my vehicle a 2018 Jeep Grand Cherokee was parked in my driveway located at 125 Irving St. Lockport N.Y. and was damaged by dead tree branches falling from the tree located in the City Right of way located in front of my residence at 125 Irving St. Lockport N.Y.

On January 09, 2024 at approximately 3:30pm a large tree branch broke off the tree located in the City Right of Way in front of my residence at 125 Irving St. Lockport N.Y. and broke the passenger side rear tail light of my vehicle a 2018 Jeep Grand Cherokee that was parked in the driveway of my residence. I have enclosed photos of damage and a copy of the bill for a total of \$579.96 in damages to my vehicle and would like to be reimbursed for damage to my Vehicle.

I would also like to add, that I informed the City of Lockport in writing, the danger of these trees back in July of 2013. I am still as of this date January 26, 2024 very concerned of the dangers of these trees. Every year since 2013 large branches break off and land in our yard and are often impaled into the ground. There are still many areas near the tops of the trees that have dead branches and are very dangerous if they break and could seriously injure or kill someone if they are walking by the house. I also observed that over the summer of 2023 that a tree cutting service came down Irving St. and were trimming the trees on the south side of the street where the power lines run. They trimmed the south side of the street but neglected to trim the large dead branches that overhang the power lines that cross Irving St and connect to the houses. My powerline and phone and cable lines have been ripped off my house 3 times since I have lived at 125 Irving St. There are still many dead branches on these trees and its just a matter of time before they break off and cause damage or possibly injury or death to a person. I ask that the City of Lockport address this problem and trim the overgrown trees or cut them down.

Sincerely,

Paul Zapp and Margaret Wysochanski

c.) As Pope, St. John Paul II states, "No believer in Christ, no institution of the Church can avoid this supreme duty: to proclaim Christ to all peoples."

d.) The parishes of the Central Niagara Catholic Family has the opportunity to invite the broader community of the Lockport area to ask questions about the Eucharist and encounter Christ as the Blessed Sacrament is brought to them directly on the streets of Lockport, NY.

e.) In today's culture, where so many are indifferent or even hostile to religion in general and Christianity in particular, it is the witness of our faith that can build trust and rouse curiosity among members of our Lockport community who on their own might not approach us with question about our Catholic Faith. As in 1<sup>st</sup> Peter 3:15-16, "we should be ready to give an explanation to anyone who asks you for the reason of you hope, but do it with gentleness and reverence."

We, the Lock City Circus, would like to request the use of the city of Lockport bleachers to use in our production of the Lock City Circus at the Kenan Center on March 8 and March 9, 2024. Jan. 22, 2024

Dear Mayor,

I am writing in regards to the Shamus Restaurant's yearly St. Patrick's day celebration. In the past they have requested to close the street from Genesee to West Ave. That prevents me from conducting my business which is close to Genesee St.

- 1 I respectfully request if she wants to close the street, it be past my drive way to West Ave to allow my elderly customers access to my building. Denying that accessibility is a liability for the City and my business.
- 2 I respectfully request the Shamus have security to prevent children from climbing on the monuments in the yard. They may get hurt; again, it is liability to the City and myself.
- 3 The workers they have set up use the stairs to my business, cross my yard with their supplies and then leave their drink cups in the yard to set up the tents. Again if they fall it becomes a liability.
- 4 Lastly, they need to keep their customers from drinking among the monuments.

Thank you for your attention to this matter. I understand the restaurant taking advantage of the holiday, so with this modification it should be able to be held without harming another business.

Sincerely,

  
Jim Farchione
