RECEIVED
APR 19 2024
CITY CLERK OFFICE

April 19, 2024

Ms. Lanzo,

I am requesting the city reimburse me \$427.11 for the damage to my vehicle caused due to the faulty repair of Lincoln Ave by the water department (or it's contractor) after fixing a water line problem.

The hole is on the north (city) side of Lincoln Ave approximately 20 yards from the Beattie Ave intersection. It is a very deep narrow gap between the existing pavement and the repaired section of the road. It is extremely hard to see as you are driving. It's obvious the hole was not filled and compacted correctly by the city causing this deep hole.

I hit the hole on Tuesday, April 16th. I did call the city highway department that day to report the dangerous situation. On Thursday, April 18th the water department placed a large piece of steel to cover the hole, along with barrels to warn traffic.

My truck was just inspected in January. The right front was thoroughly checked and was perfect, I had to replace a wheel bearing to pass inspection. This hole caused my front right stabilizer bar link to break, plus it will require a wheel alignment.

Please respond as soon as possible, I'd like to get this fixed soon so that we don't have an additional expense of the tire being destroyed due to the damage.

I have attached copies of the repair estimate, documentation of the bad alignment and pictures of the location and the newly placed barrels.

Thanks,

Dan Haseley

Subject: [EXTERNAL] Seeking Common Council Permission to Hold Event

Dear Sarah,

My name is Michael Peacock, and I am with Freedom Church in Lockport. I am writing at this time to request permission for our church to hold an event at the Imagine Community Garden, on the corner of Ontario and Hawley Streets in Lockport on Wednesday June 19th. We have held similar events through out the years.

At this time, we plan to serve a simple meal, for which we are applying for a temporary food permit from the Niagara County Health Department. The event will take place between 5pm – 9pm on that evening.

We are requesting permission at this time to barricade a portion of Ontario Street, between Hawley and North Transit Streets for this purpose. We are also requesting permission to erect bounce houses during this event. We will be able to provide a Certificate of Insurance to the city for this purpose.

Please let me know if there is any other information that I can provide for you. I can be reached with the following contact information.

Sincerely,

Michael Peacock
