

**THE CITY OF LOCKPORT IS CURRENTLY TAKING
APPLICATIONS FOR THE FOLLOWING POSITION:**

**ASSISTANT CHIEF OPERATOR
WASTEWATER TREATMENT PLANT**

SALARY RANGE: \$28.79/hr-\$32.14/hr

This is an important supervisory and technical position involving responsibility for the safe and efficient operation and maintenance of a Type A Wastewater Treatment Plant, which provides preliminary, secondary, and activated sludge treatment. Supervision is received from the Chief Operator. Supervision is exercised over subordinate personnel.

Required Qualifications:

- (a) Graduation from a regionally accredited or New York State registered college or university with a Bachelor's Degree in Applied Science and one (1) year of experience in the operation and maintenance of a Type A Wastewater Treatment Plant providing secondary treatment, which shall have been in a supervisory capacity; OR
- (b) Graduation from a regionally accredited or New York State registered college or university with an Associate's Degree in Applied Science and three (3) years of experience in the operation and maintenance of a Type A Wastewater Treatment Plant providing secondary treatment, one (1) year of which shall have been in a supervisory capacity; OR
- (c) Graduation from high school or possession of an equivalency diploma and ten (10) years of public works related experience, at least one (1) year of which shall have been in the operation and maintenance of a Type A Wastewater Treatment Plant providing secondary treatment AND at least one (1) year of supervisory experience.

Special Requirement: Completion of appropriate courses of instruction approved by the New York Department of Environmental Conservation AND eligibility or possession of a NYSDEC/Grade 4A Wastewater Treatment Plant Operator.
