Lessons will be 30 minute classes. First day of class will be an hour so that instructors can evaluate what appropriate level according to criteria outlined in the American Red Cross. We may move swimmers to a different level that is most suitable for their swimming abilities. You will know what time to come for the second class at the end of the first class. Class time will be composed of a water safety lesson, organized instruction and approximately 5 minutes of free time.

Pre-registration is required, there will be a \$10 surcharge for registration collected after the first day of class, and no later than Friday July 4, 2025.

There is a limited availability for each lesson and applications will be accepted on a first come first serve basis. If a child misses a swim lesson, make-up lessons will be given at the discretion of pool supervisors. **Please fill out a registration form for swimmers you are registering.**
