**State Environmental Quality Review Act
Determination of Non-Significance and Negative Declaration**

**Adoption of Proposed Rezone of the 26 Market St Parcel from its Existing Classification
of Mixed Light Industrial (MLI) to Mixed-Use Downtown (MU-D)**

Whereas, pursuant to Chapter 190 (Zoning) of the Lockport City Code (“Zoning Code”) § 190-46.1, the City of Lockport Common Council is vested with the authority to amend the Zoning Code; and

Whereas, the Common Council seeks to amend § 190-11.3(A) as the Official Zoning Map of the City of Lockport, to provide for a change in zoning classification of a parcel of land identified as 26 Market Street, Lockport, NY 14094, SBL No. 109.55-1-5, (“Property”) from its existing classification of Mixed Light Industrial (MLI) to Mixed Use – Downtown (MU-D); and

Whereas, the Property is a parking lot serving 4 Market Street also known as the Bewley Building, a five-story, wedge-shaped commercial block building with a rusticated ashlar stone base and brick upper floors, as well as incorporation of stone from a 19th century opera house that once stood on the site, and the Bewley Building is at the center of the City’s downtown core history, as it has been listed on the State and National Register of Historic Places for almost a decade; and

Whereas, the Property and Bewley Building parcel are under common ownership and the parking on the Property serves the Bewley Building; and

Whereas, the Bewley Building parcel is zoned MU-D but the abutting Property is zoned MLI, which makes both continued operations and any potential redevelopment or adaptive reuse of this significant and historic part of the City overly cumbersome; and

Whereas, the proposed amendment will align the zoning of abutting parcels to MLI, which will further zoning, DRI, and Comprehensive Plan initiatives that ensure the growth and stability of the downtown core and City as a whole; and

Whereas, the Common Council has determined that the proposed amendment constitutes an unlisted action pursuant to State Environmental Quality Review Act (SEQRA) regulations 6 NYCRR 617.7; and

Whereas, any development of the Bewley Building and/or Property, as well as a sale between private parties for the Bewley Building and/or Property that results in a development, will require independent environmental review under SEQRA, and independent site plan or special use permit review as set forth in the Zoning Code; and

Whereas, the Common Council, as lead agency, duly considered the proposed amendment, including completion of parts 1, 2, and 3 of the Short Environmental Assessment Form, the criteria for determining significance as set forth in 6 NYCRR § 617.7(c) of the SEQRA regulations, and such other information deemed appropriate, including public comments received at or before the public hearing on August 12, 2026, took a hard look at those relevant areas of environmental concern, and determined that the proposed amendment will not result in any significant adverse environmental impact.

Now, therefore, be it resolved that the Common Council, as Lead Agency declares:

1. Based upon a thorough review and examination of the known facts relating to the proposed amendment, all potentially significant adverse environmental impacts, and the Application materials submitted together with the entire record and proceedings, the

Common Council, as Lead Agency, determines that the proposed amendment will not have a significant adverse impact on the environment, that a draft environmental impact statement will not be prepared, and, as a result, the Common Council, as Lead Agency hereby issues a Negative Declaration of environmental significance.

2. The attached Short Environmental Assessment Forms Parts 1, 2, and 3, incorporated herein by reference, is incorporated herein and made part of this Negative Declaration.

Seconded by Alderman Wiley and adopted. Ayes 6.

Whereas, on March 26, 2025, the City of Lockport adopted a comprehensive update to Chapter 190 (ZONING) of the City Code and the Official Zoning Map, Local Law No. 1 of 2025; and

Whereas, in furtherance of the City's Comprehensive Plan, Downtown Revitalization Initiative (DRI), and health, safety, and welfare of this community, the City Common Council seeks to exercise its right to amend the City Zoning Code; and

Whereas, pursuant to Zoning Code § 190-46.1 the City of Lockport Common Council is vested with the authority to amend the Zoning Code; and

Whereas, the owner of the property seeks to amend § 190-11.3(A) as the Official Zoning Map of the City of Lockport, to provide for a change in zoning classification of a parcel of land identified as 26 Market Street, Lockport, NY 14094, SBL No. 109.55-1-5, ("Property") from its existing classification of Mixed Light Industrial (MLI) to Mixed Use – Downtown (MU-D); and

Whereas, the Property is a parking lot serving 4 Market Street also known as the Bewley Building, a five-story, wedge-shaped commercial block building with a rusticated ashlar stone base and brick upper floors, as well as incorporation of stone from a 19th century opera house that once stood on the site, and the Bewley Building is at the center of the City's downtown core history, as it has been listed on the State and National Register of Historic Places for almost a decade; and

Whereas, the proposed amendment will align the zoning of abutting parcels to MLI; and

Whereas, the Common Council referred and the Planning Board reviewed the proposed amendment on June 1, 2026, and

Whereas, pursuant to General Municipal Law § 239-m and the Intermunicipal Agreement with the Niagara County Planning Board, a full statement of the proposed amendment was referred to the Niagara County Planning Board; and

Whereas, on May 18, 2026, the Niagara County Planning Board determined that the rezoning had no significant countywide or inter-community impact, referral No. 7046; and

Whereas, the Common Council held a duly noticed public hearing on Wednesday August 12, 2026, at which all persons who wished to speak were heard; and

Whereas, the Common Council has determined that the proposed amendment constitutes an unlisted action pursuant to State Environmental Quality Review Act (SEQRA) regulations 6 NYCRR 617.7; and

Whereas, the Common Council, as lead agency, duly considered the proposed amendment, including all parts of the Short Environmental Assessment Form, the criteria for determining significance as set forth in 6 NYCRR § 617.7(c) of the SEQRA regulations, and such other information deemed appropriate, including public comments received at or before the public hearing on August 12, 2026, took a hard look at those relevant areas of environmental concern, and determined that the proposed amendment will not result in any significant adverse environmental impact; and

Whereas, the Common Council finds that the proposed amendment is in accordance with the City's Comprehensive Plan, Zoning Code, DRI and satisfies the Review Criteria as set forth in Zoning Code § 190-46.1.F; now therefore

Be it enacted by the Common Council of the City of Lockport as Follows:

Subject: [EXTERNAL] Aug 12 Council Meeting

Dear Mayor Lombardi, members of the Lockport Common Council (Mr. Kirchberger, Dr. Craig, Mr. Wyche, Mr. O'Malley, Ms. Fogle, Mr. Wiley,) and City Clerk, Ms. Stoddard,

I want to express my appreciation for all the time, introspection, and concern that you offer to the citizens of Lockport. I attended the last Council meeting as was impressed with your efficiency in running the meeting and the sincere attention and concern that you showed the public speakers and their concerns. Thank you!

Also, I am especially pleased that there was a unanimous vote to consider changing the zoning problem concerning the Bewley Building. As a former tenant, I wish that Lockport continues to "be alive" downtown. I know it is a challenging decision and your decision will not be easy. Yet, I hope that the next meeting on August 12 provides added public incentives for the PathStone's housing project for the Bewley Building getting the needed approval from your votes.

Thank you in advance.

RE: Public Hearing on Rezoning the Bewley Building Parking Lot

Dear Council Members:

Since I am unable to attend the public hearing in person on August 12, 2026, I wish to have my sentiments read into the record in support of the rezoning that is a prerequisite to further development of the Bewley Building.

The Bewley Building is an integral part of the fabric of downtown Lockport. Many of our older citizens recall visiting the Bewley Building for doctor or dentist appointments, meetings with attorneys and/or accountants, and other businesses housed in its five floors.

I myself practiced law from the Bewley Building in the early 1990's following some renovations that Charlene Seekins and her staff oversaw. But even then, its prominence in the business community had begun to fade, especially with the development of Professional Parkway. With each passing year, there have been more and more vacancies. Then COVID made commercial real estate a losing proposition, so of course a place like the Bewley Building was doomed under its original business model.

As early as 2023, Pathstone first approached the City with a plan to convert the Bewley Building into moderate income housing. While individual rents would be unsubsidized, the state would earmark funds to assist with construction costs as an incentive to attract other investors through targeted tax credits. The total renovation would be \$65+ million, but the state share would be a small fraction of that. The state's goal is to encourage housing for people with moderate incomes. If a prospective tenant earns between certain limits, the person is eligible for an apartment that might otherwise be beyond their reach in terms of quality and cost.

Having these apartments in a downtown setting can have ripple effects. Not only would the storefronts in the Bewley Building benefit from tenants' foot traffic, but other local businesses would likewise increase their customer base.

The naysayers who talk of the project in terms of subsidized housing are just playing bogeyman to scare people. Pathstone has had multiple success stories with this type of development. This model is becoming more common throughout many communities throughout the region. This proposal is also a great vehicle for revitalizing nearly vacant property.

Please vote through the rezoning request for the Bewley Building parking lot. It will be the start of something bigger and better than you might imagine.

Very truly yours,

Formal Complaint Letter

Director of Highways & Parks

City of Lockport, NY

Subject: Urgent Request for Removal of Hazardous Tree – 157 Olcott Street

Dear Director,

I am submitting this formal complaint to request **immediate removal** of the hazardous tree located directly in front of my residence at **157 Olcott Street, Lockport, NY**. The condition of this tree has deteriorated to the point where it poses a **clear and imminent danger** to residents, city employees, public infrastructure, and essential services.

Over recent months, the tree has shed large branches without warning, and the trunk shows visible decay and structural instability. During the storm on **Saturday, July 18th**, the tree contributed to a **localized power outage**, causing live electrical lines to fall across the roadway and onto vehicles. Most critically, our **mail carrier became trapped inside her postal Jeep** when a downed power line landed across her vehicle. Emergency crews were required to secure the area and ensure her safety. This incident demonstrates the severity of the hazard and the urgent need for corrective action.

Beyond this emergency, our mail carrier has repeatedly expressed concern about delivering mail due to falling limbs and the unstable canopy overhead. The sidewalk and curb area beneath the tree are routinely littered with debris, creating unsafe conditions for postal workers, pedestrians, and neighbors. This represents a preventable workplace hazard and a recurring public safety issue.

Given the tree's proximity to the roadway, sidewalk, and utility lines, the consequences of inaction include:

- Injury to residents, pedestrians, or municipal workers
- Damage to vehicles and private property
- Disruption of mail service
- Additional power outages or electrical hazards
- Increased liability exposure for the City

As residents and taxpayers, we rely on the City's commitment to maintaining safe public spaces and addressing known hazards before they result in avoidable harm.

I respectfully request that the City dispatch an inspection team **as soon as possible** and schedule removal of this tree at the earliest available opportunity. I am prepared to provide photographs, documentation, or any additional information needed to support this urgent request.

Thank you for your prompt attention to this matter and for your continued service to the residents of Lockport.

Please see documented photos of past and recent incidents of fallen limbs and damages.

Sincerely,

Jeremy Beidle

For every question in Part 2 that was answered “moderate to large impact may occur”, or if there is a need to explain why a particular element of the proposed action may or will not result in a significant adverse environmental impact, please complete Part 3. Part 3 should, in sufficient detail, identify the impact, including any measures or design elements that have been included by the project sponsor to avoid or reduce impacts. Part 3 should also explain how the lead agency determined that the impact may or will not be significant. Each potential impact should be assessed considering its setting, probability of occurring, duration, irreversibility, geographic scope and magnitude. Also consider the potential for short-term, long-term and cumulative impacts.

The proposed amendment to the zoning map (rezoning) does not have any physical impact to the environment and achieves zoning and planning goals. Any subsequent redevelopment the parcel to be rezoned and adjoining Bewley Building will undergo separate, independent SEQRA review. Therefore, there are no significant adverse environmental impacts.

- ☐ Check this box if you have determined, based on the information and analysis above, and any supporting documentation, that the proposed action may result in one or more potentially large or significant adverse impacts and an environmental impact statement is required.
- ☒ Check this box if you have determined, based on the information and analysis above, and any supporting documentation, that the proposed action will not result in any significant adverse environmental impacts.

AGREEMENT

Between

CITY OF LOCKPORT, NEW YORK

and

COUNTY OF NIAGARA, NEW YORK

AGREEMENT

THIS AGREEMENT, made this ____ day of _____, 2026 between the CITY OF LOCKPORT, NEW YORK, a municipal corporation situate within the County of Niagara, New York, hereinafter called the "CITY", and the COUNTY OF NIAGARA, NEW YORK, being a municipal subdivision of the State of New York, hereinafter called the "COUNTY".

WITNESSETH:

WHEREAS, the CITY has instituted an action in rem for the foreclosure of certain tax liens against various parcels of land situate within the City of Lockport, New York, pursuant to the provisions of the City of Lockport Charter and Article 11, Title 3 of the Real Property Tax Law of the State of New York; and

WHEREAS, the provisions of said law authorize and empower tax districts having an interest in various parcels to enter into an agreement making provisions for conveyance of said parcels without public sale, and upon such terms as said districts may agree upon between themselves; and

WHEREAS, the parties hereto have conferred and negotiated as to the method of handling the various parcels included in said action.

NOW, THEREFORE, in consideration of the covenants and agreements hereinafter set forth in the performance of which each of the parties agrees and consents, the parties hereto do agree as follows:

1. Provided that no answer is filed by an individual or any other tax district relating to a parcel, the CITY and COUNTY consent that a sale at public auction be waived and that the Court shall, in its discretion, dispense with sale and direct the City Treasurer to make and execute to the CITY a conveyance of all parcels as to which no answer, other than the answer of the COUNTY, is interposed, which conveyance shall vest in CITY a fee simple absolute title subject to the rights and interest of COUNTY as set forth in this Agreement.

2. Upon delivery of such conveyance, the CITY shall, within a reasonable time, make reasonable efforts to sell said parcels so conveyed, at public auction for cash, or in its discretion, to sell at private sale, provided the terms and conditions of such private sale shall be submitted to and approved by the COUNTY. Upon delivery of such conveyance, the CITY shall advertise said parcels for sale as soon as practicable.

3. The interests of the CITY and COUNTY in each parcel or in the proceeds of the sale thereof shall be that proportion of the parcel or proceeds of the sale thereof that the unpaid taxes, tax liens and other charges assessable against the parcels owed to or

owned by the CITY and COUNTY respectively bear to the total CITY and COUNTY taxes and tax liens in arrears and other charges unpaid and assessable against each parcel. For purposes only of calculating the respective interests of the CITY and COUNTY in each parcel or in the distribution of the proceeds thereof, no penalties or interest shall be computed on any unpaid tax or tax lien.

4. The date to determine the respective interests or liens of the CITY and COUNTY and the amounts thereof, shall be the date of conveyance to the CITY.

5. The CITY shall collect the proceeds of sale, and after deducting School Taxes for the City of Lockport School district which the CITY has paid pursuant to Real Property Tax Law Section 1332, in addition to any taxes or assessments which CITY may have paid while title to any parcel was in the CITY, and so after deducting the disbursements of this action, which shall include the filing and recording fees, actual title searches, charges incurred, certification of copies of delinquent tax lists, special guardian allowance, cost of publishing the notice to redeem, publishing of the lists of parcels for sale by the CITY, and the cost of New York State Transfer Tax to be affixed on deeds resulting from such sale, the sum of \$50.00 per parcel for costs of collection, and any other necessary cost incurred, and unless full tax payments can be made to CITY and COUNTY from the proceeds of the sale, shall distribute the net proceeds between CITY and COUNTY in the agreed proportion. Any surplus remaining from the proceeds of the sale of each parcel after payment of all tax liens to the CITY and COUNTY, shall be distributed pursuant to New York State Law; the CITY shall provide the COUNTY with the Enforcing Officer's Affidavit, with respect to the surplus funds, upon completion thereof.

6. The provisions of the Real Property Tax Law of the State of New York as now in effect or as hereinafter amended shall determine when and if parcels remaining unsold by the CITY shall be placed on the assessment roll.

7. Should any parcel of property remain unsold by CITY at the end of two (2) years from the date of conveyance to the CITY, the CITY shall, during the third year after said date, advertise and hold a public auction of each parcel and shall distribute proceeds of such sale in the agreed proportions. CITY may, at its sole discretion, retain parcels for municipal purposes, provided that CITY furnish the COUNTY TREASURER with a statement that the CITY is retaining such parcels with a statement of anticipated use.

8. Upon the expiration of the third year from the date of conveyance to CITY, all the right, title and interest of the COUNTY for unpaid taxes existing prior to the above date of conveyance to the CITY, shall cease and the COUNTY shall have no further interest in any parcels then remaining unsold, and no further interest in the proceeds of sale of any parcel thereafter sold by the CITY.

9. CITY shall not permit any parcel to be removed from such list of delinquent taxes by way of installment agreements or redemption or otherwise upon

which there are unpaid COUNTY tax liens until receiving written notice from the County Treasurer that satisfactory arrangements for payment of such COUNTY tax liens have been made.

10. If any answer should be interposed in the action in rem other than by the COUNTY, as a result of which it shall be necessary that judgment in said action direct that there be a sale at public auction by the Treasurer of the CITY, the proceeds of sale, less an amount equal to the total costs of advertising and all other disbursements incurred in such sale, divided by the number of parcels placed for sale, shall be distributed in accordance with the method of distribution of proceeds of sale set forth hereinabove.

11. The provisions of this agreement shall relate to and be binding upon the parties hereto in reference to the 2024 In Rem Action, Index No. E185969/2025.

12. This Agreement may be modified or amended only by written instrument, duly executed by the authorized officer of each of the parties hereto, as authorized by the City Council of Lockport and the Niagara County Legislature.

13. This agreement may be executed in any number of counterparts and each such counterpart shall be deemed to be an original, but all of which, when taken together, shall constitute one agreement.

IN WITNESS WHEREOF, the CITY and COUNTY have executed this Agreement, the day and year first above written.
